This next generation Gazelle Medeo T9 offers an exciting and appealing return to the original essence of this modern, fun, functional, and delightfully accessible ebike. The reimagined T9 boasts a re-engineered frame that enhances stiffness without compromising accessibility, a bigger battery, and the latest in Bosch technology. It's the perfect package for recreational riders and conscientious commuters alike.

- The updated frame offers an easy access low step design with improved stiffness and stability
- The on-tube battery placement frees up space on the rear rack and the 545 Wh capacity offers extra range to power bigger and bolder rides
- Bosch's updated Smart System Active Line Plus motor offers smooth and silent support
- Smaller wheels and a new XS frame size offer smaller riders a chance to experience the joy of Gazelle
